As part of the Farmington Public Schools district-wide athletic facilities upgrade, Buller Field is undergoing significant renovation. Included will be new team rooms, concession stands, a state-of-the-art, field-turf playing surface and HAWK PLAZA, a courtyard to welcome fans and house much of our great athletic history (see front cover).

The new Hawk Plaza will offer the once-in-lifetime chance to forever honor the accomplishments of our great football program, and more importantly, allow those so instrumental in its success to become a permanent part of a Hawk Walk of Fame.

Plans for the new Hawk Plaza include:

- Historical Plaques for each of Harrison's 12 State Football Championships which will include game scores and a list of all coaches, players, and support staff on each championship team.
- Hawk Coaches Hall of Fame
- Fran Herrington Memorial
- League Championship Plaques / Recognition
- Harrison Walk of Fame where players, families and friends may purchase bricks for permanent placement in Hawk Plaza.

A Championship caliber Hawk Plaza will require the greatest fundraising effort ever attempted by the Hawk Football Boosters. Details and an order form are located on the back of this form.

Further details, updates and other Hawk football information can be found at www.gohawks.org
